# TRANSPORTATION CENTER

## Open House Celebration

You are invited to celebrate and explore Southeast Technical's new state-of-the-art transportation facility!

Visit our campus, Sunday March 24<sup>th</sup> for a ribbon cutting ceremony and short program at 2:00 p.m. inside the new 25,000 square foot addition. We also welcome our Welding, Carpentry, CNC and Industrial Technology programs back to our main campus - uniting all Winona programs to one campus location. Come and check out the campus in its entirety. Tours will be available.
